

### Expect even, every time

Achieving even results time after time demands precisely controlled heat, distributed consistently throughout your double oven. Unlike standard double ovens, the SurroundCook oven's advanced fan technology ensures that every part of your dish is getting exactly the heat it needs.

## Product Benefits & Features

### Double oven - double dishes for double delicious

Effortlessly cook two meals at once. With the Double Oven you have the choice of fan cooking, conventional cooking and grilling. Giving you two separate areas where you can choose to bake or roast two dishes at the same time

### Heat activated catalytic cleaning

The catalytic lining absorbs the grease from cooking and is activated by regular heating to 220°C. The grease residue is oxidised leaving the catalytic surface clean.

### Effortless control. EXPLORE LED Display with Touch buttons

Explore a new way to experience your oven with the responsive EXPLORE LED Display with touch buttons. The vibrant interface gives you quick access and dynamic control of cooking time, temperature, and other features.

### Cooked evenly everywhere

With this oven, using energy efficiently also means cooking efficiently. It has a new convection system called SurroundCook, which ensures hot air circulates evenly throughout the oven cavity. The result is that the oven heats up faster and cooking temperatures can be reduced by up to 20%, saving you both time and energy

### Toast, crisp or brown, with the grill

Add a crispy finish to toasties or lasagnes with the oven's grill function. The built-in heating element projects heat downwards, to delicately brown or toast your meals.

- Main Oven Functions:
- Fan controlled defrosting
- Conventional cooking
- Base heat finishing
- Heat activated catalytic cleaning
- Top Oven Functions:
- Main oven features:
- LED digital display
- Removable door and glass panes for easy cleaning
- Oven features:
- Bottom heat
- Conventional cooking
- Pizza cooking
- Base heat finishing
- Isofront® double glazed doors
- Conventional cooking
- Top heat
- 'AA' energy rating for optimum efficiency
- Top oven features:
- Economy variable grill
- Built in Electrical Dual Cavity oven

## Product Specification

PNC	944 171 762
EAN number	7332543991891
Energy class (top oven)	A
Energy class (bottom oven)	A
Height (mm)	888
Width (mm)	594
Depth (mm)	568
Built In Height (mm)	875
Built In Width (mm)	560
Built In Depth (mm)	550
Voltage (V)	220-240
Colour	Black
Net Weight	45.5
