Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

QuickLift—adjust the basket height even when fully loaded

Indulge in the efficient amenities provided by the QuickLift basket. Regardless if you have a full load with bulky items, you can effortlessly adjust the height so you can easily fit dishes and kitchen tools of different shapes and sizes.
