

Every glass flawless. No handwashing required

The 7000 GlassCare Dishwasher offers specialist care for glassware throughout the cleaning process. The unique SoftGrip feature ensures that the stem and foot of every glass are held gently but firmly in the right position.

Product Benefits & Features

The GlassCare system helps protect glasses from breaking

The GlassCare system protects fragile glassware. It uses SoftSpikes in its upper rack to securely hold glasses, and has a unique bottom rack that safely holds stem glasses, protecting them from excessive vibration that can lead to breaking.

Superior Cleaning and best glass care

Your delicate glasses can not be cleaned in a safer way thanks to AEG SoftGrip and SoftSpikes which perfectly holds your glasses, protecting them from getting damaged.

Customisable space and convenient cleaning with MaxiFlex

The MaxiFlex drawer is engineered to accommodate cutlery and utensils of many sizes, whether large or awkwardly shaped. Flexible dividers and maximised depth mean each load is customisable. Essentially every item is seamlessly loaded and cleaned in one go.

Customisable eco dishwashing with just a touch

With the QuickSelect Dishwasher you can use the My Time slider to select the cycle time, the Ecometer will display the eco performance for each of the possible selections. So, you can easily select the best option with just a touch.

SatelliteClean®. Powerful dishwashing. Without using extra water

Even closely stacked or larger dishes receive deep cleaning with SatelliteClean®. The innovative spray arm guarantees corner-to-corner cleaning. With up to 3x better spray coverage providing stunning results across every surface.
