

Wash and Dry in one go or just steam refresh.

The 7000 ProSteam® Washer Dryer is a 3-in-1 laundry machine that streamlines the laundry process for you with wash, dry, and steam programmes. Steam uses 96% less water*, and is gentler than washing, helping clothes look their best for longer.

Product Benefits & Features

Garments refreshed*, wrinkles reduced with steam refresh

Steam Refresh neutralises odours* and reduces wrinkles on garments, including delicates, in just 25 minutes, all without washing. And if you would like an extra boost of freshness, just add our aromatic steam fragrance, for that just washed freshness.

- Option to tailor programmes:

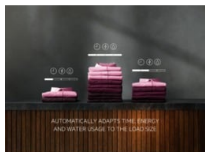

Specialcare wash-to-dry. customised care even for wool and delicates

SpecialCare Wash-to-Dry adapts to each fabric type for gentle yet effective cleaning. This Woolmark Blue certified machine, washes and dries everyday items, delicates, and wool. It also restores the water protection of your outdoor garments.

Preciseload— adapts energy and water usage to the load size

ProSense+ automatically adapts the cycle time, along with energy and water usage, in proportion to the size of the laundry load. So, you get customised laundry cycles that save energy and water when washing and drying smaller loads.

Quick20' Wash & dry 60' - When you're in a hurry

With Quick 20' Wash&Dry 60' you can wash and dry a 1kg mixed load in just one hour, all in one go. You can also choose the wash only cycle and get clean clothes in as quick as 20 minutes. Quick and convenient care when you're in a hurry.

The smooth care drum pattern is even gentler on your fabrics*

The Care drum lets garments glide smoothly thanks to its elevated cushion-like drum pattern and optimised lifter paddle. A thin film of water covers the holes during washing. Providing your fabrics with an even gentler laundry experience.
