

Reduce time, maximise performance, with Quick Programmes

The Quick Programmes are built for mid-week washes and smaller loads. Choose between the Easy 60-minute wash, Rapid 30-minute cycle, and the 14-minute Refresh wash. For great results, at a time that suits you.

Product Benefits & Features

Quick Programmes, more time for you

The Quick Programmes are built into the machine so you can get more done on busy days. The Easy 60-minute cycle is a great all-rounder, while the Rapid 30-minute programme is on hand for smaller loads. And for an extra quick treatment, the 14-minute Refresh cycle can be selected, too.

Give your clothes an effective wash with CleanBoost

The CleanBoost 60°C washing programme provides steam at the end of the cycle, to give your clothes a hygienic and efficient clean. This helps reduce bacteria and allergens from your clothes, and supports better laundry hygiene.

Reduce the time of cycles, with FlexiTime

You're always in charge with the FlexiTime button, which lets you speed up cycles to suit your schedule. Tap once to activate, and again to subtract some cycle time. You can do this three more times – every time chopping off a bit more of the cycle's overall duration.

Fewer creases, with EasyIron

The EasyIron programme applies extra care to your laundry cycles, reducing wrinkles and creases in clothes. During the cycle, the drum alternates the direction of its rotation, letting clothes move more freely. So you spend less time standing over the ironing board.

Lower laundry noise, with the inverter motor

Enjoy consistent results for longer, with the washing machine's inverter motor. The improved technology allows quieter cycles, so you can leave loads to wash overnight without disturbing the neighbours.

- A class wash performance
- 21 programmes including: Eco 40-60, Cottons, Synthetics, Delicates, Wool, Denim, Sport Wear, Spin/Drain, Rinse, Dark Clothes, CleanBoost, 14min Rapid, 30min Rapid, 60min EasyWash
- Inverter motor
- Option to tailor programmes including:
 - class spin performance
 - Prewash option
 - Load capacity 7kg
 - Extra rinse
 - Wool programme
 - Aqua Control
 - Child safety lock
 - 7 kg wash capacity
 - Delay start option
- Freestanding washing machine
- Programmes include: Eco 40-60, Cottons, Synthetics, Delicates, Wool, Denim, Sport Wear, Spin/Drain, Rinse, Dark Clothes, CleanBoost, 14min Rapid, 30min Rapid, 60min EasyWash
- 1400 spin speed RPM
- Height adjustable feet
- Extremely low water and electricity consumption: litres/wash, kWh/wash
- 1.031 class wash performance

Product Specification

PNC	914 918 473
EAN number	7332543981755
Height (mm)	847
Width (mm)	597
Depth (mm)	540
Net Weight	64.5
Colour	White
Depth max, mm	568
Full load wash capacity, kg	7
Max spin speed, rpm	1351
Washing performance	1.04
Spin drying efficiency label	B
The energy consumption of the eco programme in kWh per cycle (EU 2017/1369)	0.593
